DBArtisan XE Pro **InstantOn** Trial Introducing the latest generation of DBArtisan. This build is a fully functional 14-day trial of DBArtisan XE Pro w/ Analyst Pack Edition utilizing InstantOn technology, Embarcadero's application virtualization technology. This enables DBArtisan to be packaged into a single file that runs without installation. The DBArtisan trial runs on the desktop, locally and 'full power' but does not change system areas of the OS or registry. If you're already a DBArtisan customer, please visit the Registered User Downloads to download the latest release.

The screenshot shows the 'Sign-In' page of the Embarcadero website. The navigation bar includes 'COMPANY', 'PRODUCTS', 'SOLUTIONS', 'OUR CUSTOMERS', 'NEWS & EVENTS', and 'SERVICES'. The main content area features a progress indicator with three steps: 'Step 1: Download' (checked), 'Step 2: Sign-In' (active), and 'Step 3: Check Email'. Below the progress indicator, there is a message: 'You have selected DBArtisan 8.7.4 Workbench Trial. To install this product for evaluation or development use, please complete the registration form or sign-in below. Upon completion, you will receive by email a registration key. You will need to insert the registration key when prompted during product installation.' The registration form includes fields for 'First name *' (Bruce), 'Last name *' (Chen), 'Email *' (embt0504@livemail.tw), and 'Company name *' (Sinter). To the right, there is a 'Sign-In >>' section with the text 'If you have registered with us before, please login.' and input fields for 'Your Login' and 'Password'. A browser window titled 'Check Email' is visible at the bottom of the page.

The screenshot shows the 'Check Email' page of the Embarcadero website. The navigation bar is identical to the previous page. The main content area features a progress indicator with three steps: 'Step 1: Download' (checked), 'Step 2: Sign-In' (checked), and 'Step 3: Check Email' (active). Below the progress indicator, there is a 'Thank You' message: 'Your download of DBArtisan 8.7.4 Workbench Trial has been started, and an activation code has been sent to embt0504@livemail.tw. Your trial period is 14 days from the time you install the product.' Below this, there is a note: 'Please ensure you spam filter will allow messages from activation@embarcadero.com.' On the right side, there are two sections: 'GETTING STARTED' with links for 'Product Information', 'Community', and 'Downloads'; and 'RELATED CONTENTS' with links for 'White Papers' and 'Product Demos'.
